MEMORANDUM FOR: MR. DULLES

SUBJECT: Budget Statistics for NSC Meeting on 11 April 1957

1. Attached hereto is the budget information which you requested in connection with the NSC Meeting tomorrow morning. I believe it is particularly significant that our request for a new Appropriation is [redacted] less than our Appropriation for Fiscal Year 1957. It is possible to do this and still reflect estimated obligations of [redacted] more than our Fiscal Year 1957 obligations because of the large carryover we anticipate in the Reserve, which in Fiscal Year 1958 is being increased to [redacted]

2. Bob Macy, Bureau of the Budget, telephoned to say that Mr. Brundage would like very much to accept your invitation for lunch and a briefing as soon as you returned from your vacation. I assume that you will probably see Mr. Brundage at the NSC Meeting and may wish to discuss the matter with him at that time.
